Sub.: NGO Partnership

Dear Sirs,

Please refer to your letter dated September 07,2015 and subsequent discussions on the captioned matter.

We would like to inform you that our NGO is a society registered under the West Bengal Societies Registration Act,1961. Our registration number is S/68332 of 1991-92 dated 14/08/1991, at Calcutta.

Our activities include the following:

- (a) Ambulance Services (we presently operate 3 ambulances, of which 2 were donated by Health Deptt., Govt. of West Bengal)
- (b) Drinking Water Supply through tanker(s)
- (c) Organising Eye Camps at village level on weekly basis. These eye camps cater to about 25/30 patients per week. We have a tie-up with a local eye specialist for such camps, and cater to a population size of 25,000/30,000 in and around Gantar/Memari
- (d) Hospitalisation for eye treatment at Calcutta Medical College (Regional Institute of Ophthalmology), normally treating about 5 patients per week
- (e) Women Welfare — assistance to pregnant women for ambulance/medical services and related matters — normally catering to about 100 women per month

We are interested in entering into a partnership arrangement with your organisation for joint management of projects and programs. We look forward to SEVA's help and support our organisation in scaling up of operations and capacity building. We also look forward to joint execution/implementation micro-programs.

We request you to send us a detailed program for such capacity building. We assure you of submitting all documents and information/clarifications that may be required in this regard.

Thanking you

Sincerely yours,

Mandal
